Spelling list -List 15 Spelling pretest on Wednesday, and if they get all of the words correct students do not need to take the spelling test on Friday.

Spelling rule: Adding -ing.

- When adding an -ing ending to a magic e word, the e must be dropped before adding the ending.
- CVC words must have the final consonant doubled before adding the -ing ending. Doubling the final consonant keeps the vowel sound short (Rule for 8-13.)
- CVCC words don't need to be changed before adding -ing (Rule for 14 & 15)

1. tapping

6. hoping

11. dimming

2. gripping
