

Building a Foundation for Life
Kindergarten and First Grade
December 11, 2017

Where your treasure is, there your heart will be also. Luke 12:34

First Grade Phonics and Spelling List 13 has words in the “sh” family. The pretest will be on Wednesday and the final test on Friday.

Kindergarten Language Arts We will be learning to write and make the sounds for y and z. We are also working to sound out consonants followed by a vowel and another consonant to read words.

Social Studies We will be looking at globes and maps to see where we live. Students should know their phone number, street address, and city or town. They should also know we live in the state of Michigan.

We will be doing extra Christmas projects during the next few weeks, so you will not see as many checked papers coming home each night.

Students will need boots, snow pants, coats, hats, and gloves to play in the field when there is snow on the ground. Students without those items will have to stay on the plowed parking lot during recess.
