

Building a Foundation for Life
Kindergarten and First Grade
November 20, 2017

Godliness with contentment is great gain. 1 Timothy 6:6

First Grade Phonics and Spelling List 11 has words in the “dr” family. The pretest will be on Tuesday with the final test on Wednesday.

Kindergarten Language Arts Students will be learning the sounds for “u” and “v” and how to print them correctly.

First Grade Language We are still working on capitalization and ending punctuation.

Daily Homework In preparation for a heavier work load in the upper grades now is the time to establish the concept of having homework. Train your child to think of reading as their homework each night. If you miss a night be sure to remind your child that they must do a little more reading on the next night to make up for the night that they didn’t do their homework.

Thanksgiving Feast On Wednesday we will be celebrating Thanksgiving with our Native American friends from the kindergarten readiness class. We will be feasting on swizzle, cider, popcorn, and pumpkin bars.

No hot lunch on Wednesday All students must bring a cold lunch. You don’t need to send a snack since we will be having our Thanksgiving feast in the morning.

Bus schedule change There will be no afternoon bus on Monday or Tuesday. There will be no bus at all on Wednesday.

Thanksgiving Vacation begins on Thursday. Be sure to take time to thank God for all the blessings in your life.

Trinity Craft / Vendor Sale : December 2 Trinity families will be able to shop on Friday during school hours. The vendors and cookie walk will be on Saturday only when the sale is open to the public. You can make donations to the craft sale anytime now. We are still looking for creative items to sell. Please pray for the success of this event as we invite the community into our school.

Worship and Learning Opportunities at Trinity on Sunday:

Bible Study - 8:30 a.m.

Sunday School/ Contemporary Worship- 9:30 a.m.

Traditional Worship - 11:00 a.m.

In Christ’s Name,

Kim DuBois
