

Building a Foundation for Life
Kindergarten and First Grade
October 23, 2017

Restore to me the joy of Your salvation. Psalm 51:12

First Grade Phonics and Spelling List 7 has words in the “id” family. The pretest will be on Wednesday with the final test on Friday.

Kindergarten Language Arts This week we will be learning to write and say the sounds for the letters “m” and “n”.

Social Studies We will continue to work on understanding responsibility as something that we should do, but at other times as something that we should not do.

Homework Be sure to encourage your child to do their homework every night: memorizing bible verses, reading books, and learning spelling words. Homework is not always about doing a paper and returning it the next day. Make homework a priority now, and your child will be developing good study habits that will make learning easier as they get older.

First Grade Language We will be working on capitalization rules.

Library Students should return their library books on Wednesday.

Please remember to return the Grand Rapids Museum Field Trip slip.

Worship and Learning Opportunities at Trinity on Sunday:
