Math-

We continue to work on our math facts! Ask your child about the sevens song sung to the tune of Happy Birthday! (7, 14, 21, 28, 35, 42, 49, 56, 63, and 70!)

Religion- Unit four-Jesus Brings Salvation

This month, we study the Second Article of the Apostles' Creed through a unit of learning about the Old Testament prophecies and their fulfillment in Christ, how John the Baptist was the forerunner of the Savior, and talk about his birth, but also his death and resurrection.

Memory- week 15. We are working hard on learning longer verses, pray that God's word will stay in our hearts!

Offering: The 2nd quarter chapel offering will go to Becky Grossman, a Trinity Lutheran Church member who is traveling to Liberia to translate God's word so the people will know His love! Please keep her and her family in your prayers as they travel to spread God's word!

Science- Studies Weekly-Continue reading-A Big Rock

We are going to study the different types of rock (igneous, sedimentary, metamorphic), also seeing if we are able to go to the center of the earth or not, as well as talking about diamonds.
