Math-

We continue to work on our math facts! Ask your child about the sevens song sung to the tune of Happy Birthday! (7, 14, 21, 28, 35, 42, 49, 56, 63, and 70!)

Religion- Unit 5-God Hears and Answers His People

This month we are talking about prayer. Why we pray, when we should pray, and why we say certain things in the Lord's prayer, for example, thy kingdom come, and thy will be done.

Memory-week 17. We are working hard on learning longer verses, pray that God's word will stay in our hearts!

Offering: The 2nd quarter chapel offering will go to Becky Grossman, a Trinity Lutheran Church member who traveled to Liberia to translate God's word so the people will know His love! Please keep her and her family in your prayers as they travel to spread God's word!

Science- Studies Weekly- Watch the Sky

For the next two weeks we will be talking about seasons, moon phases, solar and lunar eclipses, and also learn who Nicolaus Copernicus is and what he did.
