

Building a Foundation for Life
Kindergarten and First Grade
September 26, 2016

Let every man be swift to hear, slow to speak, slow to wrath. James 1:19

Kindergarten Phonics This week we are working on the letters “e” and “f”. E is a hard worker because it makes many different sounds. We are working on the short “e” as in Ellie Elephant. Francy Fish makes the sound for “f”.

First Grade Phonics and Spelling List 3 has words in the “ad” family. The pretest will be on Wednesday with the final test on Friday.

First Grade Math Students will be learning the words for numbers through thirty. They will also be using the hundred chart to find which numbers come next.

K Math We are working on counting and shapes.

Library Students should return their library books on Wednesday.

Please try to have your students walking through the front doors at 8:15. They need that time to sharpen pencils and use the bathroom before we start at 8:30.

Half Day on Friday with dismissal at 11:45 if you choose to pick up your child. There is free childcare for students during normal afternoon school hours if you can't pick them up until 3:45. Please let the office know if your child will be staying all day so we can make staffing plans for the correct number. We would like to have a general idea of numbers, but it is alright if your plans change at the last minute.
