

#### WHAT'S HAPPENING IN MRS. HINDENACH'S CLASS?

Grades 5-8 I am very pleased with the effort of the students in completing work on their oratories. Most are ahead and have finished their final drafts and have been practicing the actual delivery and timing of their speeches. I have also checked Reading Journals, and students know what they must complete before Friday, Jan. 20, which is the end of the second quarter.

LA 4<sup>th</sup> grade Tuesday, Jan. 17 Unit # 10 spelling test. They will be working on Unit# 11. Spelling and Vocab.test and story (Unit #11) on Tuesday, Jan. 31.

Spanish 7-8 The class as a whole did very well on their Chap. Spanish/English vocabulary test. I have moved our weekly assessment to Fridays and have created an additional time slot for Spanish I. I daily commend our class of Spanish students for their perseverance. Muy Bien, Estudiantes!

#### "Giving from the Heart!"

- After studying the continent of Africa and learning that every 10 seconds a child dies from a hunger-related cause, the students in Social Studies and I have set a goal to collect \$200 (this becomes \$1200 worth of emergency food) to send to World Vision which will feed hundreds of impoverished children. This is over and above our weekly chapel offering. This classroom collection is on-going until we reach our goal.
