

**Building a Foundation for Life
Kindergarten and First Grades
January 16, 2017**

First Grade Phonics and Spelling List 17 has words in the “ind” family. The pretest will be on Wednesday and the final test on Friday.

Kindergarten and First Grade Math Students will be memorizing the addends for the sums of ten. Be sure to practice the flash cards.

Kindergarten Language Arts Students will be reading, writing, and spelling words in the “an” family.

Winter weather has arrived. Please leave 5 - 10 minutes earlier than usual so that your child can be walking in the door by 8:15.

Nightly Homework Routine should include a combination of reading AR books, practicing memory verses, practicing math flash cards, studying spelling words, and reading the sight words list. Learning these basics now will provide a great foundation for learning in the upper grades.

No hot lunch on Friday. Bring a cold lunch or preorder pizza.
